Gas Furnace High Efficiency

Save Energy, Save Money*

Our gas furnace achieves up to a 90% AFUE rating to provide exceptional heating performance. It is designed to help you use less energy than units installed as recently as five years ago.

Built To Last

Every Concord furnace is tested for proper operation at the factory to ensure quality performance. Each unit is backed with a lifetime limited warranty on the heat exchanger.** Each furnace also includes a ten-year limited warranty on all parts.***

* Actual cost savings may vary depending on personal lifestyle, system settings, equipment maintenance, local climate, actual construction, installation of equipment and duct system, hours of operation and local utility rates.
